- The **SKILL2SUSTAIN Symposium 2026** is an international academic and professional event organized within the Erasmus+ Capacity Building in Higher Education (CBHE) project *Boosting Digital & Green Skills for a Resilient and Sustainable Western Balkan Society - SKILL2SUSTAIN*.
- The Symposium brings together academics, researchers, higher education institutions, policymakers, professional chambers, industry representatives and other key stakeholders from the Western Balkans and the European Union to exchange knowledge and promote innovative approaches to the **digital and green transition** in higher education and the built environment.
- Aligned with the objectives of **Erasmus+ CBHE Strand II**, the Symposium serves as a platform for dissemination, dialogue and capacity building, supporting the modernization of higher education systems and strengthening regional cooperation in the Western Balkans.
